

Alliance for Life Needs Your Help

We are growing! With growth comes the increased need for help.

Below is a list of areas that we are looking for volunteer assistance.

1. *Office assistance*—looking for individuals who can give a few hours weekly, monthly or on an on-call basis with a variety of office tasks. Computer knowledge desired such as Word, Excel and Publisher as well as internet skills. Individuals with good administrative skills especially needed. Filing, organizing, and cleaning help needed as well.
2. *Social Media assistance*—looking for an individual who has a good working knowledge of facebook, twitter and website development to manage our ever growing need for using these social media tools.
3. *Event planning*—looking for individual(s) who enjoys planning events to assist us with our annual events throughout the year. Events include a fall conference, in-depth training days and fundraiser events.
