## 2018 conference

### KEYNOTE SPEAKERS

#### JOHN ENSOR

John is an ordained Evangelical pastor, who for the last 25 years has served as a leader in the pro-life movement as a speaker, author, mentor, and co-laborer. Currently, John serves as the

President of PassionLife, where he concentrates on helping missionaries and indigenous Christian leaders serving in countries plagued by abortion to equip the church in bioethics and pregnancy crisis intervention services.

Starting in 1991, John led the effort in Boston to establish a network of six ultrasound-equipped pregnancy help centers. In 2006, he joined Heartbeat International and piloted Heartbeat of Miami, a minority-led, ultrasound-equipped, pregnancy help ministry now serving amidst 30 nearby abortion businesses.

John writes books on things he is most passionate about; the gospel, marriage and prolife ethics. He and his wife, Kristen, have been married for 38 years. They have three grown children, two daughters-in-law, and three grandchildren. They live in Roswell, GA.

#### DERRICK AND JULIE TENNANT

##### Meet Derrick

A gifted athlete and was progressing in his dream for a career in sports when one evening he laid down but did not wake

up for three days. He had undergone what doctors would later term random bleeding from point x for an unknown reason. Paralyzed and in a coma, Derrick underwent brain surgery which left him paralyzed on the left side of his body. Today, Derrick is a stand up comedian and although he is unable to use his left arm and walks with a limp, he still 'loves his life!'

##### Meet Julie

Julie is Derrick's sister. She was born with an extra chromosome meaning she has Down Syndrome. Her Grandfather always told her she was special because she had this extra chromosome, which he called 'the love chromosome'. Julie's 'Love Chromosome' is something she would like to share. "I wish everybody could have one", she says. As you get to know her, you will see countless ways this love chromosome affects those around her!

Together, Derrick and Julie, are

**The LOVE CHROMOSOME!**

#### TAMMY HERZIG

Tammy is a speaker, a wife, a mom and most importantly, a grandma. She has been a Bible

teacher with a deep love for the scriptures for over 30 years, but it wasn't until the hurts of this world collided with the hope of God's Word that her relationship with Jesus truly began.

Tammy is an articulate and engaging spokesperson for the prolife position. Her well-crafted presentation is a balanced combination of real-life facts, personal experience and biblical truth. In addition to her communication skills, Tammy has extensive first-hand experience as a pregnancy resource center volunteer and as a board member. She brings great passion and clarity to her audience.
